Directions and Hotels

From Logan Airport

iETSolutions is located 25 miles west of Logan International Airport. Allow 45 minutes driving time.

Follow signs for I90 West as you exit Logan Airport. You'll go through a tunnel which brings you directly onto the Massachusetts Turnpike westbound.

1. Continue on I90 to Exit 13 (Framingham/Natick Route 30).
2. Upon leaving the Exit 13 toll booth, bear right onto Route 30 West (Cochituate Road).
3. Follow Route 30 for about a mile through 4 sets of lights (past Home Goods, Target store, Post Office, and Bickford's Restaurant all on your right).
4. After the fourth set of lights approaching the fifth set of lights, immediately before the light, take a right onto Route 126 (Concord Street).
5. Follow Concord Street 1/8 mile to 959 Concord Street on the right (a 3-story brick office building).
6. Take a right into the parking lot. You may park anywhere except under the building - these spaces are reserved.

iETSolutions is located in the Process Software area located on the first floor.

From Boston or Route 128

1. Take the Mass Pike Westbound towards Framingham to Exit 13 (Natick).
2. Upon leaving the Exit 13 toll booth, bear right onto Route 30 West (Cochituate Road).
3. Follow Route 30 for about a mile through 4 sets of lights (past Home Goods, Target store, Post Office, and Bickford's Restaurant all on your right).
4. After the fourth set of lights approaching the fifth set of lights, immediately before the light, take a right onto Route 126 (Concord Street).
5. Follow Concord Street 1/8 mile to 959 Concord Street on the right (a 3-story brick office building).
6. Take a right into the parking lot. You may park anywhere except under the building - these spaces are reserved.

iETSolutions is located in the Process Software area located on the first floor.
